Dear Parent(s) / Guardian(s),

S1 Science Activity

To expose students to other learning experiences outside the classroom, our school will organize a visit to the Hong Kong Wetland Park on 23 March (Thur) for all S1 students. This is an activity of Integrated Science departments that starts at 8:45am and ends at 3:40pm. Two-way coach service is provided. The assembly time for S1 students on that day is 8:45 am. The assembly and dismissal place is at School Playground. The transportation fee and admission fee are fully covered by the school.

The activity, being held on a normal school day, is compulsory for all. For pre-arranged absences, an official letter of absence should be submitted to school before 15 March, and students concerned will be arranged to stay at school. In case of extreme weather conditions (typhoon signal no.3 or above, or red / black rainstorm signal), the activity will be cancelled, and lessons will resume as normal.

Yours sincerely,
Steven Hon
Principal

Note: S1 students should wear their school P.E. uniform.
