Dear Parent(s) / Guardian(s),

**Parents' Seminar on**  
**"Get Prepared for the Release of HKDSE Examination Results -**  
**the Latest Information on Multiple Pathways"**

The Hong Kong Examinations and Assessment Authority will release on July 19 the results of the 2023 Hong Kong Diploma of Secondary Education (HKDSE) Examination. To get ready for a new chapter in life, students should be positive and proactive, keep themselves updated on the multiple pathways and plan well ahead.

To enable parents and their children to get ready for the release of the examination results ahead of time, the EDB has pre-recorded a parents' seminar titled "Get prepared for the Release of HKDSE Examination Results - the Latest Information on Multiple Pathways". The seminar is conducted in Cantonese. The content includes the EDB's comprehensive support measures for candidates of HKDSE Examination, arrangements of the release of results, procedures of programme choice modification and announcement of offers through JUPAS, as well as the latest information on post-secondary studies and multiple pathways to be presented by representatives of the Education Bureau, Joint University Programmes Admissions System Office, Hong Kong Examinations and Assessment Authority, and Vocational Training Council. The videos and presentation slides of the seminar will be available for parents' and students' viewing on the EDB's New Academic Structure Web Bulletin (www.edb.gov.hk/nas/en) by mid-June 2023.
